Steve, it's not a CSM, its a revised CSTAG memo that I hope will tee up all the relevant issues we should be addressing during the April CSTAG meeting. I have more than 80 percent drafted and will try to get it to you within a week or two. Need to get Alice and others to provide a "reality check" before I send to you.

Just checking to see how you are doing on writing your 25-page CSM on the Passaic and when it might be available to share?
